- 7. PQVL:** Pre-Qualified Vendor List
- 8. Provider:** A conference/meeting room Provider that is a party to a State of Maine Master Agreement.
- 9. State:** State of Maine

This Master Agreement (MA) contract is awarded as part of a Pre-Qualified Vendor List (PQVL) for the provision of rental space for conference and meeting room facilities for the use of all state agencies for a variety of events on an as needed/as available basis. Providers will be required to coordinate, oversee and manage, on a daily basis, all aspects of the event whether small or large for room set up, conference hosting, event flow, staging, etc. The State allows municipal governments, school districts and public higher education institutions to use any contract resulting from this RFP, with the mutual consent of the Provider.

A. Mini-Bid Process and Awards

An Agency seeking a facility will notify all pre-qualified vendors who meet the required geographical area (region) and event size when specific services are needed by initiating the mini-bid process. Providers will be given a description of the particular services needed and asked to respond within a specific timeframe. Bids submitted on behalf of the mini bid process will be evaluated on the basis of the Providers' proposed cost or both proposed cost and detailed offering. The Agency, as applicable, will then select one Provider based on the bids submitted and criteria being evaluated during the "mini-bid" process. The rates (**Rider D**) associated with this MA will form the foundation of each Provider's future "mini-bid" responses - that is, a Provider may not propose rates in the "mini-bid" that are above what was proposed in response to this RFP process (but a Provider may propose a rate lower, if it so chooses).

An Agency would create a Delivery Order (DO) against the MA to secure the facility with the awarded bidder.

Maine Armory Rental Program - When seeking facilities, Agencies are required to include the Maine State Armories, if applicable, when considering possible event locations. For more information on the programs go to:
<https://www.maine.gov/dafs/bbm/procurementservices/policies-procedure/maine-armory-rental-program>

MAs are to be used as a tool for Agencies, however each Agency reserves the right to select Providers from the PQVL without using this mini-bid process for emergencies, for projects less than \$5,000 and if only one Provider is able to meet the geographical and event size requirements. At the discretion of the State, large projects and/or projects with unique needs not covered within this RFP may be released and awarded through project specific RFPs. Providers for those projects will not be selected from the PQVL, rather through a separate RFP or other procurement process based on their specific needs/timelines.

The appeal procedures were available upon the original determination of the PQVL. The appeal procedures will not be available during subsequent mini-bid process involving only the pre-qualified or pre-approved list participants if cost is the sole determining factor.

B. Space Rentals and Signage

For large multiday conferences the Agency may need access to the facility the day prior to deliver items and/or set up for the following morning. Prior to usage, each room should be set-up by the facilities staff. Rooms may require furniture, including tables, table skirts, chairs, stools, podium, lectern, dais, staging, pipes and drapes, etc. Rooms should also have a sufficient HV AC system for such needs of each room.

In most cases, it is preferred that these rooms be in the same building as the large banquet/meeting room (when utilized). If the breakout room is part of the main meeting room, it should have a floor to ceiling partition to provide a sound barrier in order for sessions to run concurrently.

3. Dining Rooms: Agencies may request a separate meal/break serving area on-site so that neither set-up nor clean-up will interfere with scheduled presentations.

5. Secure Storage Area: Agencies may require a separate secured storage area (mostly for multiday conferences) for equipment, materials, etc.
