- Have you tried to resolve this problem? If so, please provide us with details of the efforts you have made to resolve this problem.
- What do you want the company to do?

When filing your complaint, please be sure to attach any copies (not originals) of documents related to the issue, such as:

- Letters, e-mail and other communications between you and the insurance company or agent concerning your complaint;
- Records explaining how claim payments were calculated;
- A copy of your insurance policy or certificate of coverage;
- Property loss forms, vehicle appraisals and police reports;
- Any additional information you feel might be pertinent to the complaint.

How the Bureau of Insurance Handles Your Complaint

When we receive your completed complaint form, your complaint will be assigned to an investigator who will contact you by mail at the beginning of the investigation. We will write to the company summarizing your complaint. We will ask the company to send us a written response to the issues you raised and to any supporting documentation you submitted to us.

By law, any person or company we license must respond to us within 14 days. (We allow the company an additional three days for mailing time.) If we don't receive a timely response, we send out a follow-up letter by certified mail. However, the company may ask for an extension if its response requires additional investigation.

The length of our investigation into your complaint depends on how complicated the issues are. The investigation may require follow-up letters and phone calls. The investigator assigned to your complaint will advise you of our conclusions once the investigation has been completed. ***This usually takes a minimum of thirty days.***

We are committed to doing a thorough investigation on your behalf. Our duty is to enforce the insurance laws and regulations of this state.
